PBIS Points

PBIS Points are given out to students for showing the expectations from our Matrix of Expected Behaviours. The online system, PBIS Rewards, aligns specifically to the school values of **Respect, Responsibility** and **Safety**. When staff see students exhibiting a positive behaviour, they acknowledge the action that aligns to the school values and expectation. Staff then reward students with a positive feedback statement by naming the value and expectation shown and rewarding with a point.

Individual

When a student receives a point, it tallies on the digital system. Students are working towards purchasing items from the DPS Whole School Shop where they can 'cash in' their points for a privilege or reward. Prizes and privileges vary in price based on staff and students' feedback. Students shop in the catalogue and attend the Whole School Shop at lunch time on their allocated day once a week.
